Subject: Litigation search results for US Patent 5,261,601

Attached are the litigation search results for US Patent 5,261,601. Here is a summary of the results:

- Patent family and legal status information (from the Inpadoc database)
- Patent status, legal status and reissue information (from the Questel database)
- Reissue information (from the Lexis database)

There were no litigation alerts, law cases, law journal articles, or current news stories that mentioned this patent in the databases.

I hope this information is helpful. Please let me know if you have any questions.
